

2 DAY WORKSHOP – INTERNATIONAL HR STANDARDS

The HR Management System Standards are needed to set a national and international benchmark of good practice and a consistent way of managing HR functions and people in organisations.

This 2 day workshop will help Leadership and HR Professionals to understand the following:

- ▶ How HR Standards can reinforce your business strategy;
- ▶ The HR Standards system;
- ▶ How to implement HR Standards within the work place;
- ▶ How to use the standards to assess and prepare for an HR Standards audit.

As part of this 2 day workshop, participants will:

- ▶ Receive a detailed HR Standards file;
- ▶ Be eligible to participate in the HR Auditor workshop and become an HR Auditor.

QUALITY ASSURANCE MODEL

- ▶ Strategic HR Management;
- ▶ Talent Management;
- ▶ HR Risk Management.

PLAN

- ▶ Workforce Planning;
- ▶ Learning and Development;
- ▶ Performance Management;
- ▶ Reward and Recognition;
- ▶ Employee Wellness;
- ▶ Employee Relations;
- ▶ HR Service Delivery.

Implement

- ▶ HR Measurement

Human resources is an integral part of the skills development journey of the country and continent.

Upskilling the HR community serves every organisation in every sector and the economy as a whole.
