

CERTIFICATE IN COMPENSATION MANAGEMENT

This exciting 5 day certification programme provides a detailed introduction into the essentials of Compensation Management.

The content of this highly interactive programme enhances and reinforces the knowledge of effective remuneration practices and principles for all delegates, from Directors to Analysts.

We aim to inspire those that attend to actively pursue and apply lessons and to motivate performance excellence in the workplace.

Upon completion of this programme (including an examination on the subject matter), successful participants will be awarded the "Certificate in Compensation Management" as issued by the Institute for Human Resource Management Education Inc. (IHRME), USA.

SAQA accredited & aligned to various HR Qualifications
